

Customer Statement And Invoice Email

Girard Bulk Service Ltd now has the option of emailing Statements and /or Invoices from our system direct to the customer.

This will only be available for unsigned invoices and will not include backup at this time.

If you require delivery tickets and signatures with your invoices, we will continue to mail/email them as usual.

If you would like your invoices &/or statements sent with this new system, please fill out and return this document with the appropriate information: * = required fields
